

## Standing Firm for Younger Generations

Ephesians 6:10-20

1. Do you see young people today enduring any struggles that seem much worse than when you were that age?
2. Pick one of those struggles. Are there any lies of the enemy at the heart of it?
3. What truths from God and the Scriptures would answer those lies?
4. What is one thing you can do, as a member of this congregation, to be part of investing ourselves in younger generations to grow resilient followers of Jesus and thriving families?

*One small thing you might consider doing is **taking the survey** at the first link below. Submissions are anonymous and your insights will be invaluable. Also below are links to a short paper about **how God designed romantic physicality**, as well as a **book recommendation** for anyone with children or youth in their spheres of influence.*

- Want to pray with others during youth group? Contact Bonnie Shupe (541-993-0232) or Ginni Waters (208-890-4770) for details about the Wednesday night intercessors!
