**Questions to Ponder**

What opportunities have you missed that were staring you right in the face?

What caught your attention the most from our sermon today?

- Why do you think you are drawn here?
- What do you think God might be saying to you?

Why do you think King Jehoash stopped shooting his arrows?

Pastor John said, "there are somethings God does and somethings we are called to do."

- What is the difference?
- Why would this be important to understand?
- When have you partnered with God for His plans for you?

"You are going to have to want what God wants to receive what He has for you."

- Reflect on that thought for a bit.
- What will this require of you?
- What might be the blessing of wanting what God wants?

One of the most obvious applications from our scripture today is to "keep shooting until you've used all your arrows or until God says to stop."

- What is God calling you to join and partner with Him?
- What does it look like to shoot your arrows?
- What might it mean to persevere until He says enough?

What is your next step?
