**Questions to Ponder**

In what ways have you been aware of your limits and boundaries in life?

- What are some of them?
- How are they frustrating?
- How are they life giving?

What caught your attention the most from our scriptures today?

- Pay attention to why you are drawn to this.
- What might God be saying through this?

David has three encounters – family, authority figures, and Goliath (creating fear and doubt), each speaking to limitations in David’s life.

- How does he respond to them?
- What role does his relationship with God play in these moments?

The great news is my limitations don’t keep God from using me within and beyond them.

- When have you experienced God using you within your limits?
- When have you experienced God using you beyond your natural ability, talents, and gifts?

This week, you are going to face situations that are going to require you to trust God.

- God help me to see my limitations as the access point of where Your power and strength shine through.
